Venice Barnett

Gautier City Hall employee Venice Barnett began a year ago as a customer service representative and is currently a personnel clerk.

Barnett said she processes new employees, posts vacant positions on the Internet and assists the human resources department and the accounting

deputy clerk.

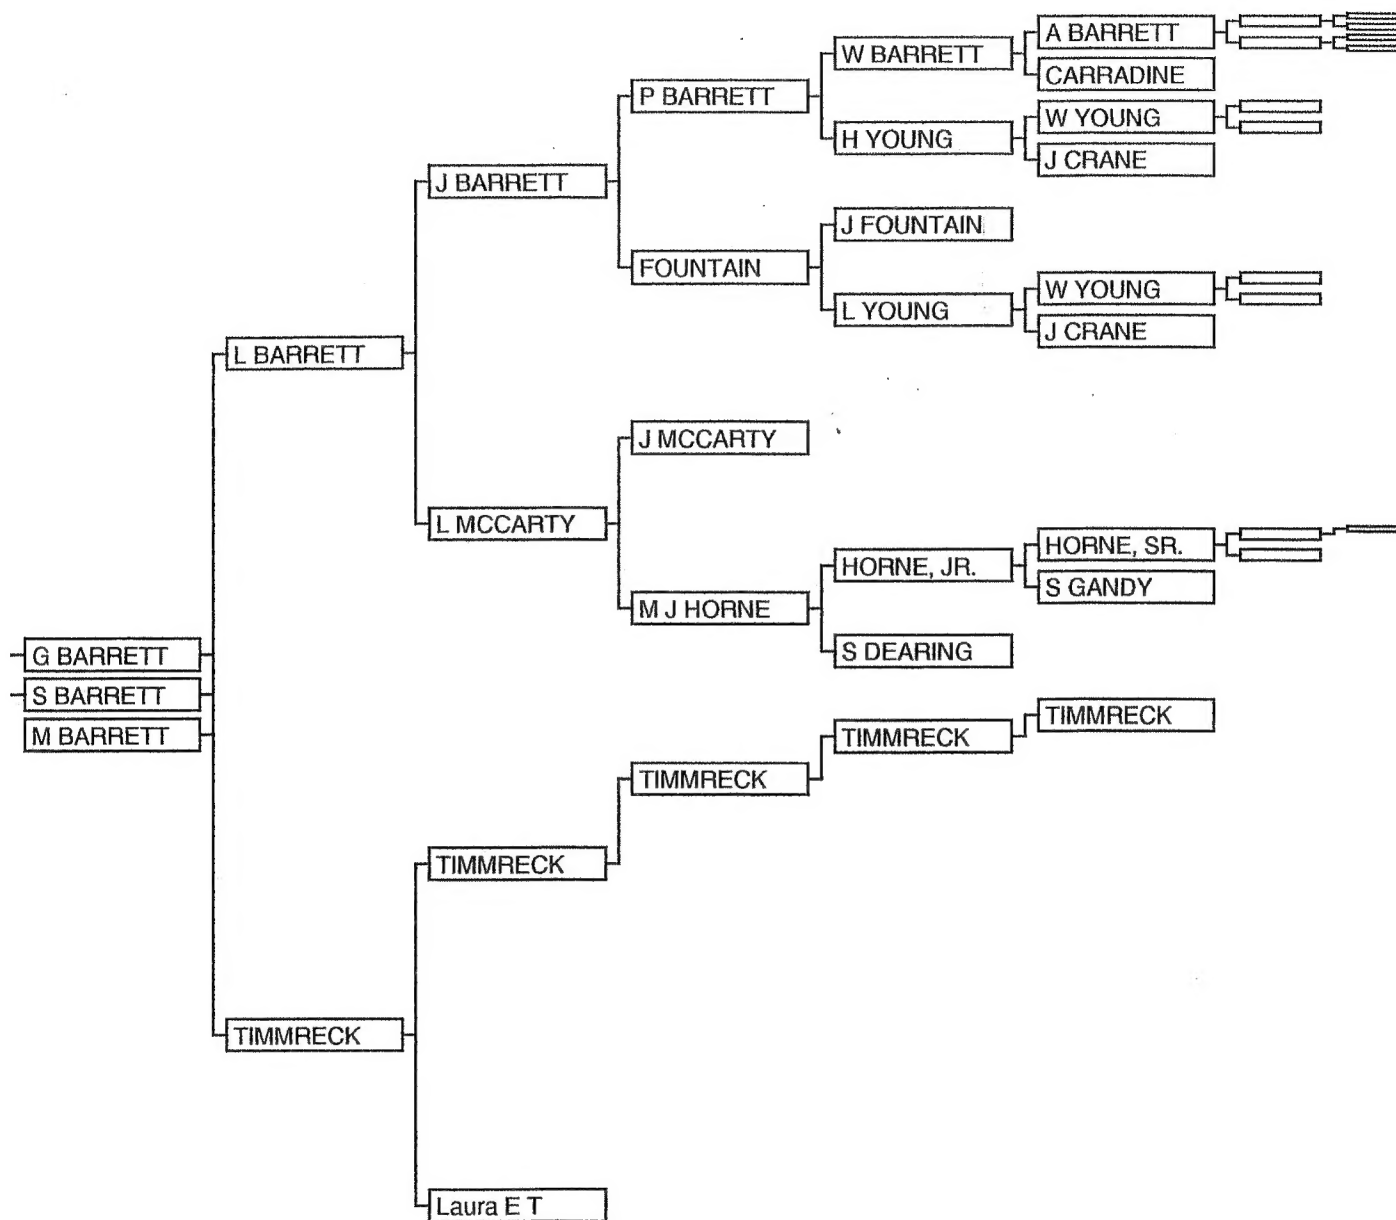

"I love working with people," Barnett said. "Working with people is a daily task for me. I love getting people started in their new career path."

She said she plans to make city employment a longtime career and has found nothing so far that she doesn't enjoy about her job.

When she's not at city hall, Barnett said she loves to write poetry and has developed her own style.

Barnett speaks French and said although she's not fluent yet, she is continuing her studies and plans to be eventually. She can also read and write French.
